Welcome to the JEB Fort Story Library information page!

Our mission is to connect service members, their families and civilians to new ideas and experiences. Please feel free to contact us with your questions, comments and concerns!

| Directions |

Enter the JEB Fort Story base through Gate 8, located at the intersection of Shore Drive and Atlantic Ave. Once you pass through the gate, go straight. Make a right onto Algiers Road, then another right onto Solomons Road. If you pass the lighthouse or the NEX gas station, you've gone too far.

If you plan on getting directions using Google Maps or Mapquest, please remember to put in our complete address.

| Library Registration |

One library account is created for each family. In order to register, you must come into the library, fill out a registration form and present your government ID card. In lieu of a library card, we will use your ID to retrieve your account information when checking out materials. The library is open to all active duty and their families, retirees, and DOD civilians.

Come explore the wonderful world of literature at the Fort Story Library!

Our children's room has hundreds of books for younger readers that want to challenge themselves and learn something new!

| Item Limits and Loan Periods |

- 15 books/audiobooks for 2 weeks
- 2 DVDs for 5 days
- 1 video game for 3 days

| Requests and Holds |

To check and see if we have a particular book you're looking for, you can call us and we will be happy to search our online catalog for you. You can also search our catalog from home via our OPAC website:

<https://n94017.eos-intl.net/N94017/OPAC/Index.aspx>

Our library system works as a floating library, so if you see an item that you would like to check out from Little Creek, but the Fort Story location is more convenient for you to visit (or vice versa), please give us a call and we can bring your requested materials to the location of your choosing. Requested items will be held at the front desk of the library for up to three days. If the item has not been checked out by the close of business of the third day, materials will be re-shelved.

Our library has 10 desktop computers that are available for our service members and their families.

Our DVD and video game collection is perfect for families! We have a wide variety of movies and games for everyone!

We frequently host events that allow children, teens and adults to learn something new, get active, and have fun!

Our non-fiction collection has thousands of books on a variety of subjects; from math to poetry to resume-writing, there's something for everyone!
