Relocating?

Relocation, while an integral part of Navy life for Sailors and their families, it is often a source of stress. With all of the uncertainties of life at a new duty station, it may also include the need to develop new contacts, friendships and resources, employment for spouses and new schools for children. Service members and family members of all ages are frequently uncertain and apprehensive regarding the military moving process. One of the best ways to combat stress is through information, and fortunately, there are many resources to provide information and education regarding the military moving process and your new duty station. The following are several resources that can support your next Permanent Change of Station (PCS) move:

Military OneSource

Military OneSource (MOS) is a one-stop virtual shop for relocation information as well as many other military life topics. MOS (militaryonesource.mil) has an entire section dedicated to moving and executing your next permanent change of station. Topics include preparing to move, settling in after moving and OCONUS/overseas moves. Additionally, you can access information guides for military installations around the world, military resources by state and information on a variety of programs and services that can be found at installations.militaryonesource.mil.

Plan My Move

Another great resource available through Military OneSource is the Plan My Move application (plannymove.militaryonesource.mil). Plan My Move creates a custom checklist for your move, filled with information about the tasks you need to complete and how to complete them. Your checklist is tailored to the unique needs of you and your family. You can save, download and print your list to update during your moving process and use for future moves.

Defense Personal Property System

The Department of Defense is committed to helping service members, their families and anyone moving with the military get organized and master their move. The Defense Personal Property System (DPS) is where you register to have your property moved (whether by a Transportation Service Provider (TSP) or as a personally procured move (PPM) formerly known as a DITY move). Additionally, via DPS you can upload your orders, manage unaccompanied baggage, and arrange non-temporary storage. DPS can be accessed at <https://dps.move.mil/cust/standard/user/home.xhtml> or via links in the Personal Property Resources section of MOS.

Government Travel Credit Card

In 2022, Navy guidance was released regarding a new requirement for service members to use their Government Travel Credit Card (GTCC) for all moving expenses. As of 1 July 2022, GTCC Phase II implemented that all Service members in paygrades E-7 and above and O-4 and above are required to use the GTCC for PCS travel expenses. GTCC Phase III for all other service members is currently on hold.

Further guidance will be released once all requirements have been met to support mandatory use of the GTCC for all hands. Please refer to NAVADMIN 291/22 and associated references for specific policy guidance.

Your Local Fleet and Family Support Center (FFSC)

Your Work and Family Life staff at your Fleet and Family Support Center stand ready to assist with classes such as Smooth Move Workshop, Moving Overseas, Moving with an Exceptional Family Member, Cultural Adaptation Workshop and a Welcome Aboard course. Additionally, resource topics include PCSing with pets, packing tips, culture shock, re-acclimating to life in the US after an overseas assignment, and tips for moving with kids.
