Location: NAS Oceana Stables

“Trot N’ Tots” Little Equestrians consists of weekly classes that run for three weeks. The number of spaces per session is limited to four, so parents must register early to reserve a spot!

Parent and child participate in the horse experience together — parents are included in the lesson as they assist their child by leading the horse to ensure maximum safety. The child/parent team will learn by hands-on experience, both on the ground and in the saddle. Class activities include grooming the horse, tacking the horse and a leaded lesson, horse games and more! Safety is our number one priority for child and parent, while teaching the basic foundation in horsemanship.

This is a great way for your child to get a head start on horse know-how, while having fun and making friends. Our focus is to set up a comfortable learning environment provided by placing participants in a small group class.
