*The Portsmouth Naval Shipyard Youth Sponsorship program seeks to engage students' in grades 3 - 7 (youth) & 8 - 12 (teen) in our Youth Sponsorship Program to welcome new students and establish a sense of community engagement. Youth Sponsors will assist in providing information on activities in the local area, volunteer opportunities available in our School Aged Care Program as well as provide a positive role model to our youngest friends in grades K - 2. This valuable opportunity provides our incoming military families with the support and kindness needed for a positive and fun transition into our new community.*

**\*\*Please fill out above information for all children regardless of current participation age\*\***
